Unfortunately, there's no application on Mac to reply to Facebook messages. The Messenger for Web was announced by Facebook and users can access the service from their web browsers without having to login to Facebook.. Instantly reach the people in your life—for free Messenger is just like texting, but you don't have to pay for every message (it works with your data plan).

Apr 09, 2015 So in case you are Mac OS X user, you can just download and sign in and get the standalone app for Facebook Messenger.. Dec 15, 2019 The fact that you can use Messenger on your phone doesn't help much either, as this is also not as easy as replying to messages the way you would on your Mac, using the Messages application.. Connect with friends, family and other people you know Share photos and videos, send messages and get updates.. com The app for Mac is an open source and is a third party app Create an account or log into Facebook.
